

# Yachad is the pro-Israel, pro-peace movement in the UK.

**Along with our thousands of supporters, we campaign for a political resolution to the Israeli-Palestinian conflict.**

We believe that Israel's best hope for safety and security lies in peace with its neighbours – a two state solution and an end to the occupation.

As part of our youth work, on campus, in youth movements and other communal Jewish spaces, we engage hundreds of young people up and down the country through education, debate and advocacy.

## How to get involved:

**Education...** Join one of our **online accredited courses** and gain an in-depth understanding of the Israeli-Palestinian conflict.

Invite our Youth Worker, Esther or **book an expert speaker** from the region to deliver a **workshop or session** to your JSoc or other campus group, online or in person.

Join our annual **Yachad Student Trip** of British Jewish students to Israel and the West Bank to see the on the ground realities of the Israeli-

Palestinian conflict. We hope to be able to hold our next trip in September 2021.

**Advocacy...** Join the **Yachad Youth group** and connect with others who campaign for peace nationally and on campus, speaking up for a two-state solution and against BDS.

Our yearly **Yachad Activism Fellowship** provides Fellows with activism skills and expert knowledge to advocate for a safe, secure and democratic Israel on campus and in the Jewish community.
